

Invest in yourself – not the coffee shop.

Put some “mojo” in your TSP investments by getting your caffeine fix at home.

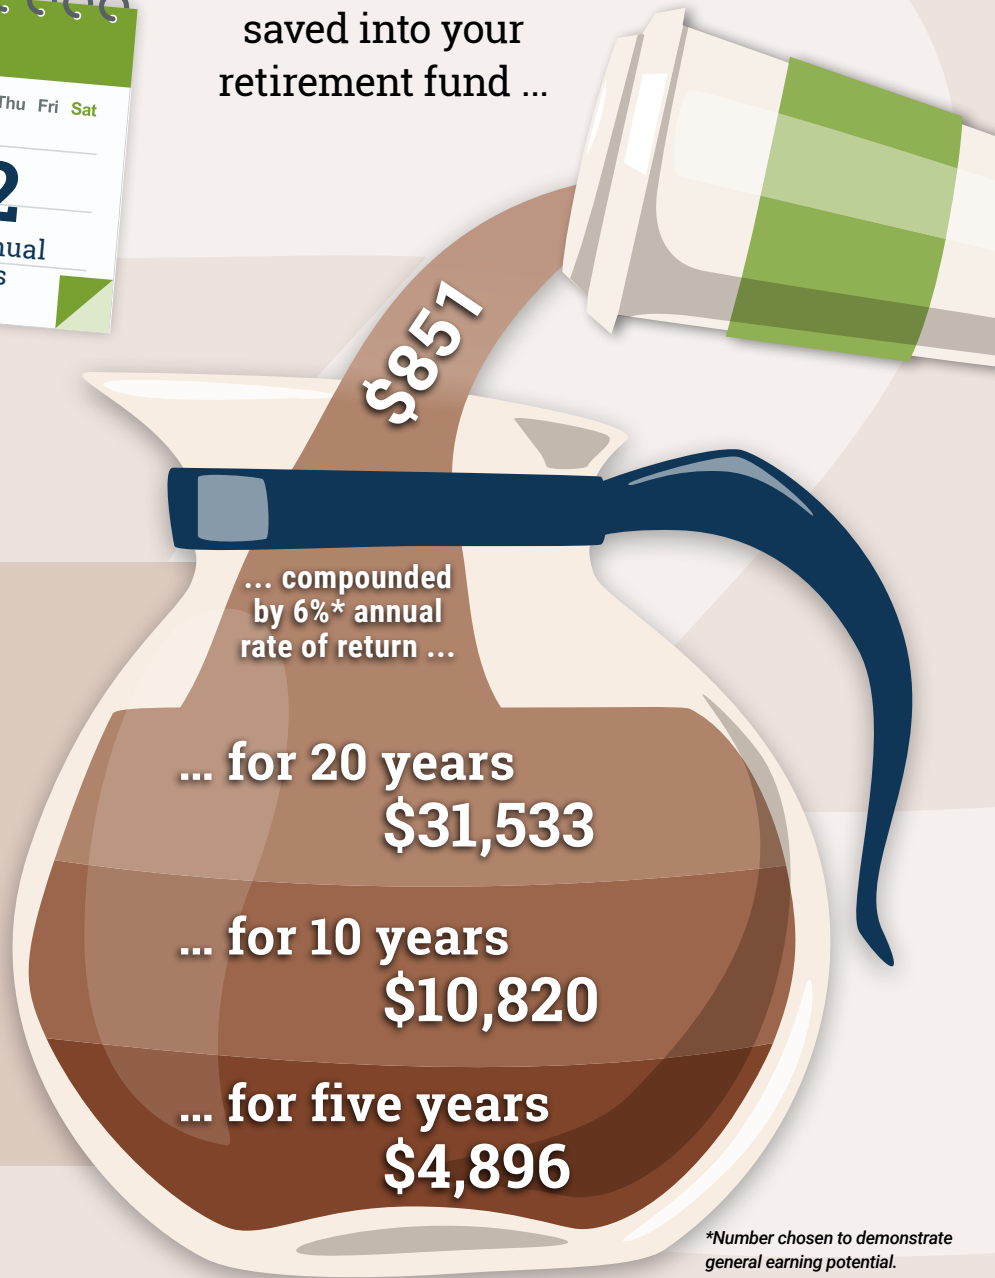

Skip the trip to the barista ...

X

... and pour the amount saved into your retirement fund ...

... compounded by 6%* annual rate of return ...

... for 20 years
\$31,533

... for 10 years
\$10,820

... for five years
\$4,896

*Number chosen to demonstrate general earning potential.

If you're under the **Blended Retirement System**, you'll receive an automatic 1% Department of Defense contribution and up to 4% DoD matching funds.
